

## Express Yourself

Each paver can accept a maximum of three lines of 13 units each. When filling out the form **you must allow one box for each letter, number, punctuation mark, heart symbol and space between words.** Fill out the boxes **exactly the way you wish to inscribe a paver** and **please write clearly.**

Applications may be returned if the proposed text does not meet the standards to be observed by a New York City public facility. Applicants will have an opportunity to revise proposed text if applications are returned.

Upon receipt of your application you will receive confirmation of the order. If the order is a gift, the recipient will be notified as well. When the stone arrives at the Zoo, the maintenance department adds it to the "Zoo Walk". Postcards go out to notify you, and any gift recipient, that the stone is in the ground. Each postcard is good for one free admission to the Zoo to see the stone.
