

We're going to  
visit the Zoo!

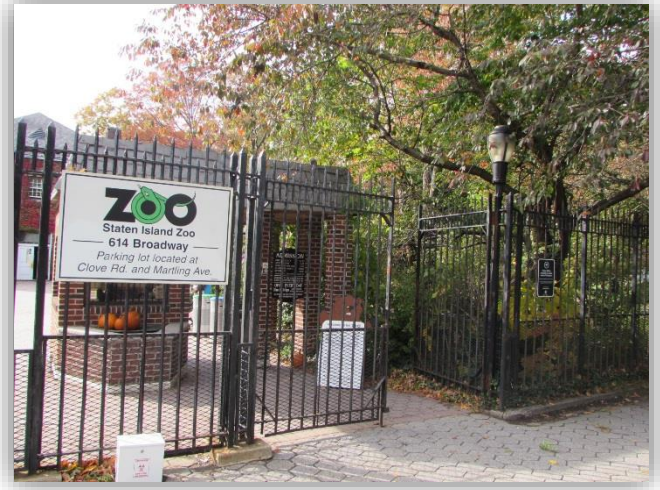

A zoo is a place where I can go to see animals.

Zookeepers take care of the animals that live at the zoo.

When I come to the zoo, I may enter here.

I might also enter here.

I can enter the main building here.

I might see  
some birds  
walking around  
outside.

There are six  
foxes outside.

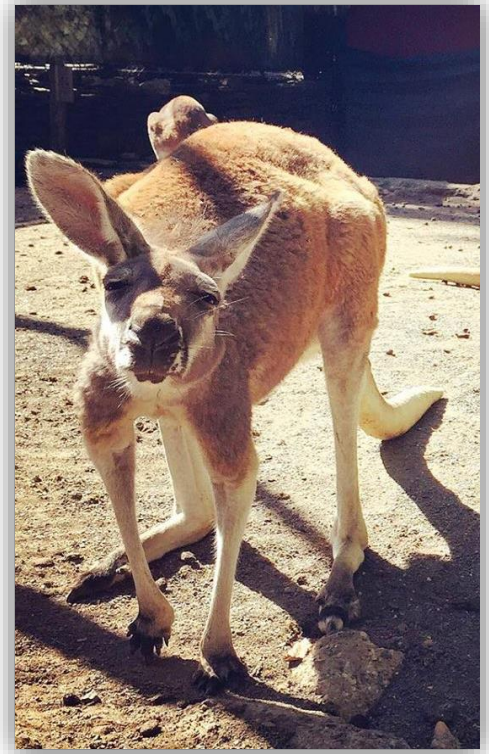

I might see the leopards sitting high in the trees.

I can look for a big bird called an ostrich.

I can see  
kangaroos outside.

I can look for  
Chuck the  
Groundhog!

# The Children's Center is outside.

I can see a big barn where some of the animals live.

I may find farm animals.

I can feed these animals if I want to.

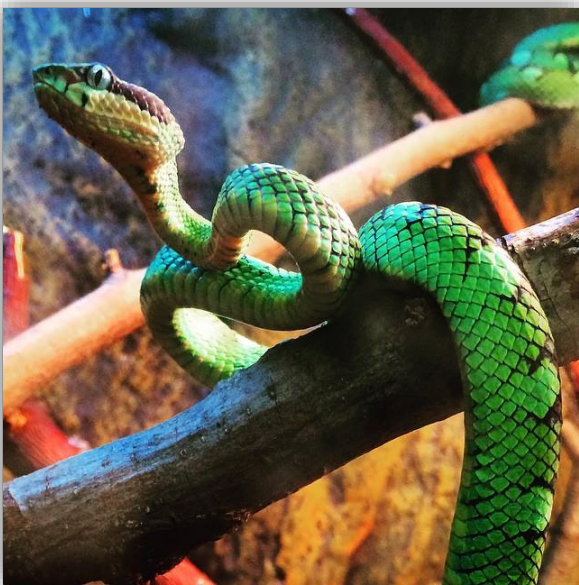

There are two  
otters in the  
**Otter Den.**

The otters may be on land or in  
the water.

I can walk through a tunnel to  
see them swim underwater!

I can enter the  
**Reptile House**  
here.

I can see lots of  
snakes in their  
homes.

There might  
be an alligator  
in the water.

Inside the **Tropical Forest** I can see lots of animals.

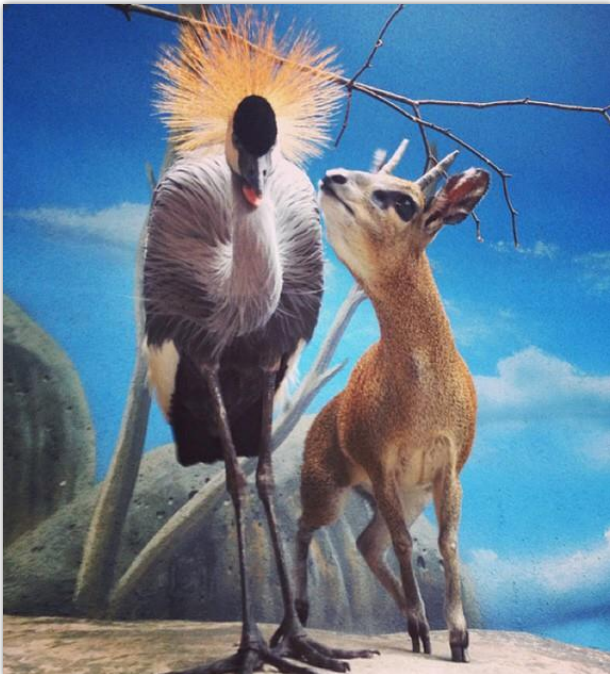

I may see monkeys.

There may also be birds flying over my head.

I can see animals from Africa in  
the **Africa Wing**.

I will see lemurs.  
Sometimes they  
make very loud  
noises!

There are  
different kinds of  
animals living  
together.

There are  
bathrooms  
inside the  
building.

Sometimes, I  
may see  
someone holding  
an animal I can  
touch.

I can bring my own food like a picnic, or get something to eat at the Zoo Cafe.

There are lots of places I can eat.
